

**ERASMUS+ KA171 PROJECT 2024-2025 ACADEMIC YEAR
STUDENT LEARNING MOBILITY ANNOUNCEMENT
(Grant Agreement: 2024-1-TR01-KA171-HED-000218474)
(Ethiopia)**

Within the scope of Erasmus + KA171 project, a joint project was carried out with Turkey, Karabük University in the field of Mechanical Engineering. Within the scope of the project, 1 Long Term Student Learning Mobility will be carried out in the 2024-2025 academic year in line with the following criteria.

The period expected to participate in the activity is the spring semester of 2024/2025. Our students will participate in the activity for **4 months**.

Students who will participate in the activity must meet the following minimum requirements:

Application Requirements for Student Learning Mobility

1. To be a full-time student enrolled in Addis Ababa University in Mechanical engineering and related fields for Graduate program
2. To have a GPA of at least 3.00
3. For study mobility: sufficient number of ECTS credits (at least 30 ECTS)
- 4- If the activities have been utilised previously within the current education level, the total duration together with the new activity should not exceed 12 months.
5. At least 50 English Language Score for Vocational Schools

QUOTAS

The total quota is 1 for Study Mobility.

Departments eligible for University Name: Addis Ababa University

School of Mechanical and Industrial Engineering

Grants for Student by Country of Destination

The table below shows the individual support grant amounts to be used for students who will benefit from the activity for a longer period of time:

For mobility with Non-Programme Related Third Countries, students are also supported for round-trip travel.

Travel Distance	Standard Travel Grant Amount (€)	Green Travel Grant Amount (€)
Between 10 - 99 KM	28	56
Between 100 - 499 KM	211	285
Between 500 - 1999 KM	309	417
Between 2000 - 2999 KM	395	535
Between 3000 – 3999 KM	580	785
Between 4000 - 7999 KM	1188	1188
8000 KM and above	1735	1735

Application Procedures

The announcement process for the KA171 Student Learning Mobility between **Addis Ababa Univerity** and Karabük University is between December 09 - December 30, 2024 (3 weeks period), and the application process will be taken online from araya.abera@aait.edu.et between January 01,2025 - January 15, 2024 (2 weeks period).

Student Selection Criteria

1. The selection of students is carried out from among the students who apply by fulfilling the requirements, taking into account the evaluation criteria and weighted scores recommended by the National Agency.
2. Success score is calculated as academic grade point average 50% + language level 50%.

The evaluation criteria and weighted scores to be used in evaluating mobility applications are given below:

Table-1 Selection Criteria and Weighted Score Table

Status	Weighted Score
GPA	50% (out of a total of 100 points)
Language level	50% (out of a total of 100 points)
Disabled students (provided that the disability is documented)	+10 points
Previous KA171 mobility experience (with or without grant)	-10 points
Participation in mobility in the country of citizenship	-10 points

- Deductions are made based on the student's total score.
- Students who meet the minimum requirements will be able to waive the financial support in case

they remain in the reserve and can participate in the mobility within the quotas without grant if they wish.
